

New Marists in mission

Letter and music: Gilson P. Júnior - PMBCN

Translation e interpretation: Vitor Hugo Alves e Eder D'Artagnan

Again on the way, we're following ahead
Around the same bonfire
Sharing and listening, being light on the path
And being in the world true mission.

Spirituality
Brothers and Laity vocation
Truly united
For evangelization

New Marists in mission (2x)
Rooting life in this soil
With Mary we go in haste to a new land
Making real the dream of Champagnat (2x)

Ioia iehe ioia iehe ioiaioo

In our schools, communities and works
The mission guides us on this land
Among the children, the teens and the youth
By the Church we follow with no bounds

New Marists in mission (2x)
Rooting life in this soil
With Mary we go in haste to a new land
Making real the dream of Champagnat (2x)
