

"A strong wind will come and take me somewhere else"

If someone starts to vibrate, others will pick it up.

Be captivated by the experience!

Spirit of God,
As part of the Marist Global Family,
we feel your life-giving, love-giving energy.
Thank you for your everyday presence
and for the gift of faith.
Thank you for the gift of one another in community.
We share our hopes and dreams, our smiles,
our fears and limitations.
Side by side, our joy is multiplied
and our challenges become bearable.
May we recognize when we are too ego-centric and
dominating,
May we learn, to live with our differences,
to ask questions instead of making judgments.
On days when we lose our motivation,
remind us of our common mission.
Empower us to be your accomplices,
Shaliahs on the mission of God.
Open our hearts to see that, as Marists,
we all share in Marcellin's charism.
Lead us to connect with young people
on the margins of life.
Use our availability to bring them
light and inspiration.

May we as the Lavalla200> 2020 Group
be committed to:

Openness,
New possibilities,
Diversity,
Reconciliation,
Transformation,
Shared responsibility,
Open dialogue,
Bring hope and love,
Show empathy,
Connect with people,
Respect our differences,
Build bridges,
Be present on the peripheries.
Make a difference,
Empower others.
Amen.

God loves our differences.

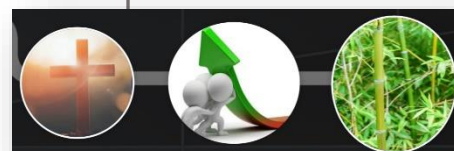

Good Christians and good citizens.

Within the local church.
Inter gentes et cum gentibus.

Not "me and them",
but "US".

Enhance all that is good
in the world leaving
labels aside.
