Dear Marist of Champagnat,

BRO. MIKE'S NEW MISSION LAND: BAGLADESH

Bro Mike has been in a discernment process with Bro. Superior General, his Council and me. The outcome is the invitation to be a missionary in Bangladesh joining the Marist District of Asia (MDA). He is in the process of moving there. He is working on this with Bro. Canisio, the District Superior of MDA.

Bro. Canisio and his council have proposed the following process:

- To begin the process of visa to Bangladesh.
- To join the Community of Talit in West Bengal, India. Bros. Malngmei and Jiji are in this community. Mike will begin studying Bangla the language used in Bangladesh, while assisting the community.

Mike is planning to leave for West Bengal by the end of January. Thanks Mike for your committed service in the Province of South Asia. Be assured of our blessings and prayers for your commitment in the new mission.
